

“Have fun with the application of Qigong State”

This will be an unique workshop with teacher Sew Pei See from Malaysia!

I am glad that teacher Sew Pei See comes to the Netherlands.

She is a very good Zhineng Qigong teacher with a remarkable Extra Sensory Perception. She works together in Malaysia with teacher Ooi Kean Hin. In Jan 2015, together with Mr Ooi Kean Hin, she set up the Serenity Therapy and Health Centre in Penang, Malaysia.

She teach with integrity, joy and fun. I learned a lot from teacher Sew Pei See when I was in her workshop in oktober 2015 in Malaysia.
